Re reorganisation & continuance of Velamangala Ind. School

General and Revenue Secretariat | Dpc. File No. 246 of 1935. | [App. F. III—2

Serial No.	
1	From the Dir. Dpc No. D1—323/29-30 dated 28.2.36 Submits proposals for the continuance & the Industrial School, Velamangala, on a reorganised scale at a cost of Rs. 3604/- per annum, and states that necessary provision for Rs 3284/- required during 36-37 has been made in the Budget proposals. 1) Kind regard is invited to the Dir's report of 25-2-1935 in the Dpc file 70-34 from which it will be seen that there were only 24 pupils in the Velamangala School in Feb. 1935. The school was ordered to be continued during 1935-36, pending submission of proposals by the Dir. for the improvement thereof. 2) It is for consideration and orders if it is worthwhile incurring an expenditure of Rs. 3604/- for the reorganisation and continuance of the Velamangala School, for the benefit of a handful of pupils, and especially when the Finance Dept. is stressing the need for effecting economies in the State expenditure. 3) Subd. for orders. 98 Ry 12/3 11/3

14) Please flag the letter on which the Dr (Mr Ramanathan) has submitted proposals for the reorganisation of the Gudibanda school

Ky. 29.4.36 ⊗ H

15) Kind regard is invited to letter dt 28-2-35 ⊗ containing the proposals of the Mr Mr Ramanathan the then Dir, for the reorganisation of the grnt. school at Gudibanda.

Ky 28.4.36. 16) Kind regard is invited to the letter dt. 28.2.35 of the Dr (Mr A.K. Ramanathan) in the file placed below. Final orders have not been passed on the proposals submitted by him. It is clear from his report that the School at Velamangala has not fulfilled expectations The strength in the rolls is small and the average daily attendance must be even less The Lacquerware section does not appear to have done any thing useful and the Dr recommended its closure Even the Weaving section does not appear to have worked quite satisfactorily

Serial No.

but the Dr recommended its continuance for some years more. The present Dr admits that the school as at present equipped and run has not conferred any tangible benefit on the students. He however thinks that by introducing Swiliary and Compulsory sections made compulsory in the recent order on the reorganisation proposals the school can be made more efficient and useful. His proposal involves an immediate increase in recurring expenditure on establishment of Rs. 2116/- per annum. There will be corresponding increase in other items of recurring expenditure besides additional non-recurring expenditure on equipment etc. Nelamangala is not an industrial centre and is not far from Bangalore. It is therefore a point for consideration whether this school should be continued any longer. It seems far better to run a few schools efficiently.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 28th February 1936.

FROM

S. Abdul Wajid, Esq., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

TO:

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Industrial School at Nelamangala.

With reference to G.O.No. D.418-19/I&C.70-34-7 dated 17-7-1935 sanctioning the continuance of the Industrial School at Nelamangala pending my report on its continuance or otherwise, I have the honour to state that the Industrial School was started in December 1933 by posting one Weaving Demonstrator as Superintendent, one Lacquerware Instructor from Channapatna as Instructor and one Watchman from Hassan. The residents of the place and the Municipality have contributed towards the cost of the building and equipment.

The School as it is equipped and run at present serves no useful purpose and has not conferred any tangible benefit on the students that have undergone training. If the School is to be continued, it should be re-organised on proper lines so that systematic and efficient training in Weaving and Lacquerware is imparted to the students.

According to the re-organisation proposals, Smithy and Carpentry will be compulsory subjects in all Industrial Schools in addition to the special subjects. Hence classes in Smithy and Carpentry have also to be started in this School.

I may mention that the local people are very keen on having the School and say that they are quite satisfied with the training their boys are having and would highly appreciate if the training is rendered more comprehensive. They said that the whole cost was incurred by them in the firm belief that it will be a permanent fixture.

To run the School efficiently, the following staff is necessary:-

		Average cost. Rs.
1.	One Superintendent Rs.60-7½-150 ..	113/-
2.	One Lacquerware Instructor Rs.35-3-50 ..	45/-
3.	One Weaving Instructor -do- ..	45/-
4.	One Smithy Instructor Rs.30-2-40 ..	36 2/3.
5.	One Carpentry Instructor -do- ..	36 2/3.
6.	One Watchman Rs.12/- ..	12/-
7.	One Peon Rs.12/- ..	12/-
		300 1/3.

Or Rs.3,604/- per annum.

I have made the necessary provision of Rs.3,288/- being the charge

charge for the first year in the Budget Estimates for 1936-37.

I request you to obtain early orders of Government to these proposals.

I have the honour to be,
Sir,
Your most obedient servant

Director.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 1st April 1936

CENL. & LIBRARY
3 APR. 1936
DEVELOPMENT BRANCH

FROM

S. Abdul Wajid, Esq., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

With reference to your letter No. D. 5612/I & C 246-35-2 dated the 14th March 1936, calling for details of the present level of expenditure in the Industrial Schools at Nelamangala and Gudibanda, I have the honor to enclose herein details o f the expenditure as sanctioned for 1935-36 for each of these - schools for the information of Government.

From the details it will be seen that the present cost of establishment in the Industrial School at Nelamangala is - - Rs 1,488/- per annum and of Gudibanda Rs 2,832/-. The other expenditure amounts to Rs 806/- for Nelamangala and Rs 873/- in the case of Gudibanda, after taking credit for the expended realisations.

I have already in my letter No. D1-323/29-30 dated the 28th Febry. 1936 reported that it is necessary to continue the school at Nelamangala with full establishment on a par with other schools for which provision has been made in the Budget. The local people and the Municipality have contributed Rs 4,475/- towards the building and equipment and they say that the whole cost was incurred by them in the firm belief that the school would be a permanent fixture. I am of opinion that the school should be continued with the full - - establishment as noted in my letter referred to above.

As regards Gudibanda Industrial School, I have in my letter No. E2-58/33-34 dated the 9th March 1936 submitted proposals for continuing the school there with the existing staff, until the final decision is taken to transfer it to Kolar.

The idea all along has been to transfer the school at Gudibanda to Kolar when the Industrial School is started there with the help of the grant from the District Board. The decision of the District Board regarding the moiety of costs to be borne by them is awaited. As it will take some time to start the school at Kolar even after the District Board agree to meet the moiety of costs, the school at Gudibanda with its staff will have to be continued for the next official year. I have made necessary provision for this in the next year's budget.

I have the honour to be,
Sir,
Your most obedient servant,

Director.

OFFICE OF THE DIRECTOR,

Dated Bangalore, ... 28th May 1936.

Camp DM 2
1-6-36

FROM

S. Abdul Wajid, Esq.,B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq.,B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Subject:- Provisional Budget Estimates for 1936-37.

I have the honour to state that on a perusal of the Provisional Budget Estimates of the Department, I find that provision has not been made for the following:-

1. Nelamangala Industrial School. (Page 179)

Provision of Rs 124/- only has been made in the budget for the establishment for one month only.

I have already submitted proposals (vide this office letter Nos. D.1-323/29-30 dated 28th February 1936 and even number dated 1st April 1936) for continuing the School on the same lines as other schools with the full establishment. As per Government Order No. 4450-60/ I & C 356-34-2 dated 17th January 1936, Smithy and Carpentry have to be treated as compulsory subjects in all the schools and proposals for introducing these subjects also have been submitted by me. The local people paid Rs 4,475/- towards the building and equipment in the firm belief that the school would be a permanent one. I am of opinion that the school should be continued with full establishment Hence the provision of Rs 3,288/- under establishment made by me for this school may kindly be restored and early sanction obtained for my proposals.

2. Scholarships for Industrial Schools. (Page 180)

A sum of Rs 11,520/- only has been provided as against Rs 20,832/- submitted be me. I have in my letter No. F.4-255/34-35 dated 10th March 1936 made proposals for the award of scholarships under the new scheme and also explained the necessity for granting enhanced rates of scholarships to moffusil students. Government in their Order No. 4450-60/ I & C 356-34-2 dated 17th January 1936 have directed the utilisation of the savings of Rs 5,988/- effected ~~xx~~ by the abolition of General Education and Rattan classes for the award of scholarships and the amount available inclusive of this savings comes to Rs 19,078 as already stated by me and the sum of Rs 20,832/- provided for involves only an excess of Rs 1,754/-. If the re-organisation of the Industrial Schools on the lines suggested by the Committee and Government Orders thereon approving of them should be carried out, this provision is quite necessary. I request that the sum suggested may be kindly sanctioned.

9

3. Equipment. (Page 179)

A sum of Rs 1,000/- only has been provided and tools and machi-nery as against Rs 2,000/- provided by me. As already explained by me in my letter No.F.4-255/34-35 dated 10th March 1936, the present equipment in all the schools is quite inadequate. The carpentry and smithy sections in all schools should be equipped on upto date lines. I want to introduce sheet metal sections at Shimoga and Chikmagalur. The sum of Rs 20,000/- under equipment as already explained by me is the barest minimum, required during the next year against Rs 35,000/- the total amount needed for this purpose. The amount provided by me may kindly be restored and early sanction obtained for my pro-posals.

No provision has been made for buildings. Almost all the Industrial Schools are in need of additional accommodation. I have already submitted in my No.D.1-11/33-34 dated 11th April 1936 pro-posals with plans and estimates for the additions to the building at Channapatna at a cost of Rs 4,170/- inclusive of this item and certain other small additions to the other Schools, I have provided Rs 6,000/- under building. This provision may kindly be restored and early orders obtained in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Director.

SIR,

Industrial School at Nelamangala.

I have the honour to invite your kind attention to my letter of even number dated 28-2-1936 submitting proposals for the continuance of the Industrial School at Nelamangala with full establishment on a par with other schools, and to my letter of even number dated 2-4-1936 noting the present level of expenditure at Gudibanda and Nelamangala, and to state that Government in their order No.D.418-19/I&C.70-34-7 dated 19-7-1935 have directed the continuance of the school during 1935-36 which period will expire by 30-6-1936.

The local people and the Municipality of Nelamangala have contributed Rs.4,475/- and they say that the entire expenditure was incurred by them in the firm belief that the school would be a permanent one. I am of opinion that the school should be continued provided the complete establishment as noted in my letter No. D1-323/29-30 dated 28-2-1936 is sanctioned. As the reorganisation of the school has to take effect from 1-7-1936, I request you to obtain early orders of Government in the matter.

I have the honour to be,

Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq.,B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Industrial School at Nelamangala and Gudibanda - Continuance-

I have the honour to invite kind reference to correspondence ending with my note No.9 dated 11th February 1937 on the file unofficially referred to me on the above subject. The Comptroller has written in his letter No.839/IAD dated 19th February 1937 that the pay bills, scholarship bills,etc. of these two Schools should not be presented for payment until orders of Government are received for their continuance.

The staff and the students will suffer much if the payment of bills is stopped. I therefore request you to kindly obtain the sanction of Government to their continuance during 1936-37.

As regards provision to meet the cost of the establishment of Industrial School, Nelamangala, I have submitted in my letter No.D.1-89/36-37 dated 3rd March 1937 the re-appropriation statement which includes the expenditure of this School.

I request you to kindly obtain early orders of Government

I have the honour to be,
Sir,
Your most obedient servant,

Director.
